3. ASSESSMENT UNDER REGULATION 1049/2001

Following an examination of the identified documents under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents, we have arrived at the conclusion that parts of the identified documents have to be expunged. A full disclosure is prevented by the exception concerning the protection of privacy and integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because they contain the following personal data:

- the names and contact information of Commission staff members not pertaining to the senior management
- the names, functions and personal details of other natural persons.

Article 9(1)(b) of the Data Protection Regulation¹ does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward any arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested documents, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

You may reuse these documents free of charge for non-commercial and commercial purposes provided that the source is acknowledged, that you do not distort

the original meaning or message of the documents. Please note that the Commission does not assume liability stemming from the reuse.
