

TREATY
ESTABLISHING THE EUROPEAN STABILITY MECHANISM (ESM)
BETWEEN THE KINGDOM OF BELGIUM, THE FEDERAL REPUBLIC OF GERMANY,
THE REPUBLIC OF ESTONIA, IRELAND, THE HELLENIC REPUBLIC,
THE KINGDOM OF SPAIN, THE FRENCH REPUBLIC,
THE ITALIAN REPUBLIC, THE REPUBLIC OF CYPRUS,
THE GRAND DUCHY OF LUXEMBOURG, MALTA,
THE KINGDOM OF THE NETHERLANDS, THE REPUBLIC OF AUSTRIA,
THE PORTUGUESE REPUBLIC, THE REPUBLIC OF SLOVENIA,
THE SLOVAK REPUBLIC, THE REPUBLIC OF FINLAND

THE CONTRACTING PARTIES, the Kingdom of Belgium, the Federal Republic of Germany, the Republic of Estonia, Ireland, the Hellenic Republic, the Kingdom of Spain, the French Republic, the Italian Republic, the Republic of Cyprus, the Grand Duchy of Luxembourg, Malta, the Kingdom of the Netherlands, the Republic of Austria, the Portuguese Republic, the Republic of Slovenia, the Slovak Republic and the Republic of Finland (the "euro area Member States" or "ESM Members");

COMMITTED TO ensuring the financial stability of the euro area;

RECALLING the Conclusions of the European Council adopted on 25 March 2011 on the establishment of a European stability mechanism;

WHEREAS:

- (1) The European Council agreed on 17 December 2010 on the need for euro area Member States to establish a permanent stability mechanism. This European Stability Mechanism will assume the tasks currently fulfilled by the European Financial Stability Facility ("EFSF") and the European Financial Stabilisation Mechanism ("EFSM") in providing, where needed, financial assistance to euro area Member States after June 2013.
- (2) On 25 March 2011, the European Council adopted Decision 2011/199/EU amending Article 136 of the Treaty on the Functioning of the European Union with regard to a stability mechanism for Member States whose currency is the euro¹ adding the following paragraph to Article 136: "The Member States whose currency is the euro may establish a stability mechanism to be activated if indispensable to safeguard the stability of the euro area as a whole. The granting of any required financial assistance under the mechanism will be made subject to strict conditionality".
- (3) Strict observance of the European Union framework, the integrated macro-economic surveillance, in particular the Stability and Growth Pact, the macroeconomic imbalances framework and the economic governance rules of the European Union, should remain the first line of defence against confidence crises affecting the stability of the euro area as a whole.

¹ OJ L 91, 6.4.2011, p. 1.

- (4) If indispensable to safeguard the financial stability of the euro area as a whole, access to ESM financial assistance will be provided on the basis of strict economic policy conditionality under a macro-economic adjustment programme and a rigorous analysis of public-debt sustainability. The initial maximum lending volume of the ESM, after the complete run down of the EFSF, is set at EUR 500 000 million.
- (5) All euro area Member States will become ESM Members. As a consequence of joining the euro area, a Member State of the European Union should become an ESM Member with full rights and obligations, in line with those of the Contracting Parties.
- (6) The ESM will cooperate very closely with the International Monetary Fund ("IMF") in providing financial assistance. In all circumstances, active participation of the IMF will be sought, both at technical and financial level. A euro area Member State requesting financial assistance from the ESM is expected to address a similar request to the IMF.
- (7) Member States of the European Union whose currency is not the euro ("non euro area Member States") participating on an ad hoc basis alongside the ESM in a financial assistance operation for euro area Member States will be invited to participate, as observers, in the ESM meetings when this financial assistance and its monitoring will be discussed. They will have access to all information in a timely manner and be properly consulted.

- (8) On 20 June 2011, the representatives of the Governments of the Member States of the European Union authorised the Contracting Parties of this Treaty to request the European Commission and the European Central Bank ("ECB") to perform the tasks provided for in this Treaty.
- (9) In its statement of 28 November 2010, the Euro Group stated that standardised and identical Collective Action Clauses ("CACs") will be included, in such a way as to preserve market liquidity, in the terms and conditions of all new euro area government bonds starting in July 2013. Moreover, the term sheet on the ESM, as endorsed by the European Council on 25 March 2011, stated that the detailed legal arrangements for including CACs in euro area government securities will be finalised by the end of 2011.
- (10) Like the IMF, the ESM will provide financial assistance to an ESM Member when its regular access to market financing is impaired. Reflecting this, Heads of State or Government have stated that the ESM will enjoy preferred creditor status in a similar fashion to IMF, while accepting preferred creditor status of the IMF over the ESM. This status shall be effective as of 1 July 2013. In the unlikely event of ESM financial assistance following a European financial assistance programme existing at the time of the signature of this Treaty, ESM will enjoy the same seniority as all other loans and obligations of the beneficiary ESM Member, with the exception of the IMF loans.

- (11) The euro area Member States will support equivalent creditor status of the ESM and that of other Member States of the European Union lending bilaterally alongside the ESM.
- (12) Disputes concerning the interpretation and application of this Treaty arising between the Contracting Parties or between the Contracting Parties and the ESM should be submitted to the jurisdiction of the Court of Justice of the European Union, in accordance with Article 273 of the Treaty on the Functioning of the European Union ("TFEU").
- (13) Post-programme surveillance will be carried out by the European Commission and by the Council of the European Union within the framework laid down in Articles 121 and 136 TFEU,

HAVE AGREED AS FOLLOWS:

CHAPTER 1

2. The Contracting Parties are ESM Members.

ARTICLE 2

New members

5. The Managing Director shall be the legal representative of the ESM and shall conduct, under the direction of the Board of Directors, the current business of the ESM.

CHAPTER 3

CAPITAL

ARTICLE 8

Authorised capital stock

1. The authorised capital stock shall be EUR 700 000 million. It shall be divided into seven million shares, having a nominal value of EUR 100 000 each, which shall be available for subscription according to the initial contribution key provided for in Article 11 and calculated in Annex I.
2. The authorised capital stock shall be divided into paid-in shares and callable shares. The initial total aggregate nominal value of paid-in shares shall be EUR 80 000 million. Shares of authorised capital stock initially subscribed shall be issued at par. Other shares shall be issued at par, unless the Board of Governors decides to issue them in special circumstances on other terms.
3. Shares of authorised capital stock shall not be encumbered or pledged in any manner whatsoever and they shall not be transferable, with the exception of transfers for the purposes of implementing adjustments of the contribution key provided for in Article 11 to the extent necessary to ensure that the distribution of shares corresponds to the adjusted key.

4. ESM Members hereby irrevocably and unconditionally undertake to provide their contribution to the authorised capital stock, in accordance with their contribution key in Annex I. They shall meet all capital calls on a timely basis in accordance with the terms set out in this Treaty.

5. The liability of each ESM Member shall be limited, in all circumstances, to its portion of the authorised capital stock at its issue price. No ESM Member shall be liable, by reason of its membership, for obligations of the ESM. The obligations of ESM Members to contribute to the authorised capital stock in accordance with this Treaty are not affected if any such ESM Member becomes eligible for, or is receiving, financial assistance from ESM.

ARTICLE 9

Capital calls

1. The Board of Governors may call in authorised unpaid capital at any time and set an appropriate period of time for its payment by the ESM Members.

2. The Board of Directors may call in authorised unpaid capital by simple majority decision to restore the level of paid-in capital if the amount of the latter is reduced by the absorption of losses below the level established in Article 8(2), as may be amended by the Board of Governors following the procedure provided for in Article 10, and set an appropriate period of time for its payment by the ESM Members.

3. The Managing Director shall call authorised unpaid capital in a timely manner if needed to avoid the ESM being in default of any scheduled or other payment obligation due to ESM creditors. The Managing Director shall inform the Board of Directors and the Board of Governors of any such call. When a potential shortfall in ESM funds is detected, the Managing Director shall make such capital call(s) as soon as possible with a view to ensuring that the ESM shall have sufficient funds to meet payments due to creditors in full on their due date. ESM Members hereby irrevocably and unconditionally undertake to pay on demand any capital call made on them by the Managing Director pursuant to this paragraph, such demand to be paid within seven days of receipt.
4. The Board of Directors shall adopt the detailed terms and conditions which shall apply to calls on capital pursuant to this Article.

ARTICLE 10

Changes in authorised capital stock

1. The Board of Governors shall review regularly and at least every five years the maximum lending volume and the adequacy of the authorised capital stock of the ESM. It may decide to change the authorised capital stock and amend Article 8 and Annex II accordingly. Such decision shall enter into force after the ESM Members have notified the Depositary of the completion of their applicable national procedures. The new shares shall be allocated to the ESM Members according to the contribution key provided for in Article 11 and in Annex I.

2. The Board of Directors shall adopt the detailed terms and conditions which shall apply to all or any capital changes made under paragraph 1.
3. Upon a Member State of the European Union becoming a new ESM Member, the authorised capital stock of the ESM shall be automatically increased by multiplying the respective amounts then prevailing by the ratio, within the adjusted contribution key provided for in Article 11, between the weighting of the new ESM Member and the weighting of the existing ESM Members.

ARTICLE 11

Contribution key

1. The contribution key for subscribing to ESM authorised capital stock shall, subject to paragraphs 2 and 3, be based on the key for subscription, by the national central banks of ESM Members, of the ECB's capital pursuant to Article 29 of Protocol (No 4) on the Statute of the European System of Central Banks and of the European Central Bank (the "ESCB Statute") annexed to the Treaty on European Union and to the TFEU.
2. The contribution key for the subscription of the ESM authorised capital stock is specified in Annex I.

3. The contribution key for the subscription of the ESM authorised capital stock shall be adjusted when:
- a) a Member State of the European Union becomes a new ESM Member and the ESM's authorised capital stock automatically increases, as specified in Article 10(3); or
 - b) the twelve year temporary correction applicable to an ESM Member established in accordance with Article 37 ends.
4. The Board of Governors may decide to take into account possible updates to the key for the subscription of the ECB's capital referred to in paragraph 1 when the contribution key is adjusted in accordance with paragraph 3 or when there is a change in the authorised capital stock, as specified in Article 10(1).
5. When the contribution key for the subscription of the ESM authorised capital stock is adjusted, the ESM Members shall transfer among themselves authorised capital stock to the extent necessary to ensure that the distribution of authorised capital stock corresponds to the adjusted key.
6. Annex I shall be amended upon decision by the Board of Governors upon any adjustment referred to in this Article.
7. The Board of Directors shall take all other measures necessary for the application of this Article.

CHAPTER 4

OPERATIONS

ARTICLE 12

Principles

1. If indispensable to safeguard the financial stability of the euro area as a whole, the ESM may provide financial assistance to an ESM Member, subject to strict economic policy conditionality under a macro-economic adjustment programme, commensurate with the severity of the economic and financial imbalances experienced by that ESM Member.

2. An adequate and proportionate form of private-sector involvement shall be sought on a case-by-case basis where financial assistance is received by an ESM Member, in line with IMF practice. The nature and the extent of this involvement shall depend on the outcome of a debt sustainability analysis and shall take due account of the risk of contagion and potential spill-over effects on other Member States of the European Union and third countries. If, on the basis of this analysis, it is concluded that a macro-economic adjustment programme can realistically restore public debt to a sustainable path, the beneficiary ESM Member shall take initiatives aimed at encouraging the main private investors to maintain their exposure. Where it is concluded that a macro-economic adjustment programme cannot realistically restore the public debt to a sustainable path, the beneficiary ESM Member shall be required to engage in active negotiations in good faith with its non-official creditors to secure their direct involvement in restoring debt sustainability. In the latter case, the granting of financial assistance will be contingent on the ESM Member having a credible plan for restoring debt sustainability and demonstrating sufficient commitment to ensure adequate and proportionate private-sector involvement. Progress in the implementation of the plan will be monitored under the programme and will be taken into account in the decisions on disbursements.

3. Collective action clauses shall be included in all new euro area government securities, with maturity above one year, from July 2013, in a standardised manner which ensures that their legal impact is identical.

ARTICLE 13

Procedure for granting financial assistance

1. An ESM Member may address a request for financial assistance to the Chairperson of the Board of Governors. On receipt of such a request, the Chairperson of the Board of Governors shall entrust the European Commission, in liaison with the ECB, with the following tasks:
 - (a) to assess the existence of a risk to the financial stability of the euro area as a whole;
 - (b) to undertake - wherever possible, together with the IMF - a rigorous analysis of the debt sustainability of the ESM Member concerned;
 - (c) to assess the actual financing needs of the ESM Member concerned and the nature of the private sector involvement required, in accordance with Article 12(2).
2. On the basis of the assessment referred to in paragraph 1, the Board of Governors may decide to grant, in principle, financial assistance to the ESM Member concerned.

3. If a decision pursuant to paragraph 2 is adopted, the Board of Governors shall entrust the European Commission with the task of negotiating with the ESM Member concerned – wherever possible together with the IMF, and in liaison with the ECB – a memorandum of understanding (the "MoU") detailing the economic policy conditionality, contained in a macro-economic adjustment programme and attached to the financial assistance. In parallel, the Managing Director of the ESM shall prepare a proposal for financial assistance agreement, including the financial terms and conditions and the choice of instruments, to be adopted by the Board of Governors.

The MoU shall be fully consistent with the measures of economic policy coordination provided for in the TFEU, in particular with any act of European Union law, including any opinion, warning, recommendation or decision addressed to the ESM Member concerned.

4. The European Commission shall sign the MoU on behalf of the ESM, subject to prior compliance with the conditions set out in paragraph 3 and approval by the Board of Governors.

5. The Board of Directors shall approve the financial assistance agreement detailing the technical aspects of the financial assistance to be provided and the disbursement of the first tranche of the assistance.

6. The ESM shall establish an appropriate warning system to ensure that it receives the repayments due by the ESM Member under financial assistance in a timely manner.

7. The European Commission – wherever possible together with the IMF, and in liaison with the ECB – shall be entrusted with monitoring the compliance with the economic policy conditionality attached to the financial assistance. On the basis of the report of the European Commission, the Board of Directors shall decide, by mutual agreement, on the disbursement of the tranches of the financial assistance subsequent to the first tranche.

8. The Board of Directors shall adopt the detailed guidelines which shall apply to the disbursements of financial assistance.

ARTICLE 14

ESM stability support

1. The Board of Governors may decide to grant short-term or medium-term stability support in the form of a loan to an ESM Member as financial assistance, in accordance with Article 12.

2. The technical terms and conditions of each loan shall be specified in a financial assistance agreement, to be signed by the Managing Director.

3. The ESM stability support pricing shall cover ESM funding costs plus an additional margin determined by the Board of Governors. The pricing structure is detailed in the pricing policy in Annex III. The pricing policy shall be reviewed regularly by the Board of Governors.
4. The Board of Governors may decide to change the pricing structure and pricing policy and amend Annex III accordingly.

ARTICLE 15

Primary market support facility

1. The Board of Governors may decide, as an exception, to arrange for the purchase of bonds of an ESM Member on the primary market, in accordance with Article 12 and with the objective of maximising the cost efficiency of the financial assistance.
2. The technical terms and conditions under which the bond purchase is conducted shall be specified in the financial assistance agreement, to be signed by the Managing Director.
3. The Board of Directors shall adopt the detailed guidelines on the modalities for implementing the primary market support facility.

ARTICLE 16

Review of the list of financial assistance instruments

The Board of Governors may review the list of financial assistance instruments provided for in Articles 14 and 15 and decide to make changes to it.

ARTICLE 17

Borrowing operations

1. The ESM shall be empowered to borrow on the capital markets from banks, financial institutions or other persons or institutions for the performance of its purpose.
2. The modalities of the borrowing operations shall be determined by the Managing Director, in accordance with detailed guidelines to be adopted by the Board of Directors.
3. The ESM shall use appropriate risk management tools, which shall be reviewed regularly by the Board of Directors.

CHAPTER 5

FINANCIAL MANAGEMENT

ARTICLE 18

Investment policy

The Managing Director shall implement a prudent investment policy for the ESM, so as to ensure its highest creditworthiness, in accordance with guidelines to be adopted and reviewed regularly by the Board of Directors. The ESM shall be entitled to use part of the return on its investment portfolio to cover its operating and administrative costs.

ARTICLE 19

Dividend policy

1. As long as the ESM has not provided financial assistance to one of its members, the proceeds from the investment of the ESM paid-in capital shall be returned to the ESM Members according to their respective shares, after deductions for operational costs, provided that the targeted effective lending capacity is fully available.

2. The Board of Directors may decide, by simple majority, to distribute a dividend to the ESM Members if the amount of paid-in capital and the reserve fund exceeds the level required to maintain the lending capacity of the ESM and proceeds from the investment are not required to avoid a payment shortfall to creditors. Dividends are distributed *pro rata* to the shares.
3. The Managing Director shall implement the dividend policy for the ESM in accordance with guidelines to be adopted by the Board of Directors.

ARTICLE 20

Reserve and other funds

1. The Board of Governors shall establish a reserve fund and, where appropriate, other funds.
2. Without prejudice to Article 19, the net income generated by the ESM operations and the proceeds of the financial sanctions received from the ESM Members under the multilateral surveillance procedure, the excessive deficit procedure and the macro-economic imbalances procedure established under the TFEU shall be put aside in a reserve fund.

3. The resources of the reserve fund shall be invested in accordance with guidelines to be adopted by the Board of Directors.
4. The Board of Directors shall adopt such rules as may be required for the establishment, administration and use of other funds.

ARTICLE 21

Coverage of losses

1. Losses arising in the ESM operations shall be charged:
 - (a) firstly, against the reserve fund;
 - (b) secondly, against the paid-in capital; and
 - (c) lastly, against an appropriate amount of the authorised unpaid capital, which shall be called in accordance with Article 9(3).

2. If an ESM Member fails to meet the required payment under a capital call made pursuant to Article 9(2) or (3), a revised increased capital call shall be made to all ESM Members with a view to ensuring that the ESM receives the total amount of paid-in capital needed. The Board of Governors shall decide an appropriate course of action for ensuring that the ESM Member concerned settles its debt to the ESM within a reasonable period of time. The Board of Governors shall be entitled to require the payment of default interest on the overdue amount.

3. When an ESM Member settles its debt to the ESM, as referred to in paragraph 2, the excess capital shall be returned to the other ESM Members in accordance with rules to be adopted by the Board of Governors.

ARTICLE 22

Budget

The Board of Directors shall approve the ESM budget annually.

ARTICLE 23

Annual accounts

1. The Board of Governors shall approve the annual accounts of the ESM.
2. The ESM shall publish an annual report containing an audited statement of its accounts and shall circulate to ESM Members a quarterly summary statement of its financial position and a profit and loss statement showing the results of its operations.

ARTICLE 24

Internal Auditing Board

1. The Internal Auditing Board (the "IAB") shall consist of three members appointed by the Board of Governors for their competence in auditing and financial matters.
2. The members of the IAB shall be independent. They shall not seek nor take instructions from the ESM governing bodies, the ESM Members or any other public or private body.

3. The IAB shall inspect the ESM accounts and verify that the operational accounts and balance sheet are in order. It shall have full access to any document of the ESM needed for the implementation of its tasks.
4. The IAB shall send an annual report to the Board of Governors in which it ascertains whether:
 - (a) the balance sheet and operational accounts are in accordance with the books; and
 - (b) the balance sheet and operational accounts give an accurate and true picture of the financial position of the ESM in respect of its assets and liabilities, the results of its operations and its cash flow for the financial year under review.
5. The operation of the ESM shall comply with the principles of sound financial and risk management.

ARTICLE 25

External auditing

The accounts of the ESM shall be audited by independent external auditors approved by the Board of Governors. The auditors shall have full power to examine all books and accounts of the ESM and obtain full information about its transactions.

CHAPTER 6

GENERAL PROVISIONS

ARTICLE 26

Location

1. The ESM shall have its seat and principal office in Luxembourg.
2. The ESM may establish a liaison office in Brussels.

ARTICLE 27

Legal status, privileges and immunities

1. To enable the ESM to fulfil its purpose, the legal status and the privileges and immunities set out in this Article shall be accorded to the ESM in the territory of each ESM Member. The ESM shall endeavour to obtain recognition of its legal status and of its privileges and immunities in other territories in which it performs functions or holds assets.

2. The ESM shall have full legal personality; it shall have full legal capacity to:
 - (a) acquire and dispose of movable and immovable property;
 - (b) contract;
 - (c) be a party to legal proceedings; and
 - (d) enter into a headquarter agreement and/or protocols as necessary for ensuring that its legal status and its privileges and immunities are recognised and enforced.
3.
