¹ Council doc.12919/19 + ADD1.
² OJ L 353 31.12.2008, p. 1. Article 53a was inserted into this Regulation via Regulation (EU) 2019/1243 which has introduced the delegation of power to a number of legal instruments.
3. The Working Party on Technical Harmonisation examined the delegated act by written procedure. At its Attachés' meeting on 8 November 2019, the Working Party concluded that there are no grounds for the Council to object to the delegated act.³

4. Against this background, the Permanent Representatives Committee could invite the Council to confirm that the Council has no intention to object to the delegated act, and that the Commission and the European Parliament are to be informed thereof. This implies that unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Art. 53a of Regulation 1272/2008.

³ During the Working Party meeting of the Attachés on 8 November 2019, only 8 delegations opposed the delegated act.
