Subject: Meeting request to discuss the role of gas in the energy transition and the Green Deal

Dear Commissioner,

I am writing to you on behalf of [REDACTED] Eurogas, the representative association of the European gas industry, to request a meeting to discuss the Green Deal and the role of gas in Europe's energy mix going forward. Eurogas supports the objectives of the Paris Agreement and the European Commission's long-term vision of a climate neutral economy by 2050.

[REDACTED], [REDACTED] Eurogas and [REDACTED] Total, will be in Brussels on 29 January. We would very much appreciate the opportunity to discuss the role of gas in the energy transition, and to present our proposals for delivering a carbon neutral economy utilising gas to its full potential.

We look forward to hearing from you.
