Dear President of the European Commission, Mr. Juncker,  
Dear Vice-president of the European Commission, Mr. Šefčovič,  
Dear Commissioner for Energy and Climate, Mr. Cañete,

Attached please find a letter from the CEO of Equinor [REDACTED] in relation to the consultation on the Commission's strategy for long term greenhouse gas reductions.

Today, we have submitted our input and look forward to continued collaboration on developing the solutions necessary to realise the joint ambitions of the Paris agreement.

*Equinor – formerly Statoil – energises the lives of 170 million people every day – with oil, gas, renewables and new low carbon energy solutions.*

Best regards,
