Dear [REDACTED],

On behalf of Mr Samsom, I thank you for your message.
Unfortunately, he will not be available for a meeting with [REDACTED] on 18 February due to a very constraint agenda on that date. However I forward your request to Mr Riccardo Maggi and Ms Aleksandra Tomczak, Members of Cabinet of Vice-President Frans Timmermans.

Kind regards,

European Commission

Dear Mr. Samson,

First of all, I would like to wish you a happy new year.

I am writing to you following our meeting at the European Alliance to Save Energy we had before the Christmas break

As you may remember, I'm working for Schneider Electric, a leading company in energy management and industrial automation, being headquarter in France. We are a global leader in energy efficiency, smart grid and renewable energy integration among others issues.

As discussed shortly, I would be very grateful if we could meet with you in order to discuss about the Green Deal initiative and propose some ideas on how to catch up on some of the major gaps related to the energy transition (especially related to energy efficiency).

As [REDACTED], will be in Brussels on February 18 (<https://www.se.com/fr/fr/about-us/newsroom/experts/christel-heydemann.html>), we would greatly be honoured if we could meet with you at that point.

Thanks a lot.

Kind regards,
