Dear Stefano,

I hope you're well, and wishing you luck for the vote this week.

[REDACTED] will be in Brussels on the 11th December and asked me to enquire whether Commissioner Simson would have time to meet? He remains active in promoting Europe's energy security after his time at NATO, and would especially like to discuss any assistance he can offer regarding the ongoing transit talks. For example, he continues to push the case for Naftogaz unbundling at every opportunity.

Looking forward to hearing from you.

Best wishes, [REDACTED]
