Subject: Your application for access to documents – GESTDEM 2020/2446

Dear Mr Lasauskas,

We refer to your e-mail of 17.04.2020 in which you make a request for access to documents, registered on 28.04.2020 under the above-mentioned reference number.

You request access to all documents on the issues related to Belarus nuclear power plant project in Astravyets (NPP Astravyets), its nuclear safety and security and its adverse environmental, economic and the security of energy supply effects as well as possible adverse impact on the stability of energy supply and transmission systems in the Union.

Please note that due to the wide scope of your request, covering also areas falling under the responsibility of other Directorates-General, your request has been split. **This reply relates only to the document under the responsibility of the Secretariat-General in respect of their description.** The other documents corresponding to the description in your request will be provided by the relevant Directorates-General in the areas under their responsibility.

We regret to inform you that the Secretariat-General does not hold any documents that would correspond to the description given in your application.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:

European Commission
Secretariat-General
Transparency, Document Management & Access to Documents (SG.C.1)
BERL 7/076
