Subject: NFU Future of CAP position

Dear all,

The National Farmers' Union (NFU) has now finalized its position on how we think the CAP should look after 2013 and we launched our paper at the start of May in Brussels. I attach a copy above for your information. We would be very interested in your feedback on the paper and hope that we can find a time in the near future to discuss it in person.

Thanks and best wishes

British Agriculture Bureau (BAB)
61 rue de Trèves, 6th floor
