Dear [REDACTED],

As promised, please find attached IFPI's submission to South Africa. We would be grateful for sharing it with colleagues at the Delegation and in the Services, including the geographical desk.

We understand that the Committee is / was considering the submissions today. I do not have any readout from those proceedings yet.

The DIT are supposed to respond to submissions by March 6th, and then the NCOP will consider the bills and vote on March 27th.

Best wishes,

[REDACTED]
