Dear President von der Leyen,

Please find attached a follow-up letter to the meeting you organized last week with the Medical Technology companies about the necessary contributions we all need to make to fight the Covid-19 crisis, with specific focus on the critical medical product export issue in Italy whereby the delivery of care to affected patients is being severely hampered.

Thank you for your urgent attention to this issue and look forward to a favourable response.

With kind regards,

[REDACTED]
