Dear Commissioner Breton,

Also on behalf of [REDACTED] I would like to thank you for the call we had last week.

As the European Round Table for Industry (ERT) we are more than willing to provide follow up on the important questions you raised:

- a) What is needed to secure even more efforts by European companies to the fight against COVID-19?
- b) What can be done to avoid permanent damage to jobs and supply chains in Europe and the global economy?
- c) What is needed for a coordinated risk-based strategy to restart the economy and get people back to work?

We will take stock of these questions during the ERT Associates Meeting this week, on Friday, 3 April.

On behalf [REDACTED] I would like to ask you for conference/video call with the ERT Steering Committee Members to provide direct feed back on these questions as well, preferably next week.

I have asked my assistant, [REDACTED] to reach out to your secretariat today as well to discuss timing and logistics.

Please find attached the names of the current Members of the ERT Steering Committee.

Kind regards,

[REDACTED]
