This Microsoft Enterprise Subscription Enrollment is entered into between the entities identified on the signature form as of the effective date. Enrolled Affiliate represents and warrants it is the same Customer, or Customer’s Affiliate, that entered into the Enterprise Agreement identified on the signature form.

This Enrollment consists of: (1) these terms and conditions, (2) the terms of the Enterprise Agreement identified on the signature form, (3) the terms of either the Microsoft Business Agreement or Microsoft Business and Services Agreement (“Master Agreement”) identified on the signature form, (4) the Product Selection Form, (5) the Product Terms, (6) the Online Service Terms, (7) any Supplemental Contact Information form, Previous Agreement/Enrollment form and other forms that may be required, (8) the Online Services Supplemental Terms and Conditions if Customer’s Master Agreement is a version 2009 or earlier and Enrolled Affiliate is ordering Online Services, and (9) any order submitted under this Enrollment. This Enrollment may only be entered into under a 2011 or later Enterprise Agreement. By entering into this Enrollment, Enrolled Affiliate agrees to be bound by the terms and conditions of the Enterprise Agreement and the Master Agreement.

Effective date. If Enrolled Affiliate is renewing Subscription Licenses from one or more previous Enrollments or agreements, then the effective date will be the day after the first Enrollment or agreement expires or terminates. If this Enrollment is renewed, the effective date of the renewal term will be the day after the Expiration Date of the initial term. Otherwise, the effective date will be the date this Enrollment is accepted by Microsoft. Any reference to “anniversary date” refers to the anniversary of the effective date of the applicable initial or renewal term for each year this Enrollment is in effect.

Term. The initial term of this Enrollment will expire on the last day of the month, 36 full calendar months from the effective date of the initial term. The renewal term will expire 36 full calendar months after the effective date of the renewal term. Any reference in this Enrollment to “day” will be a calendar day.

Prior Enrollment(s). If renewing Subscription Licenses from another Enrollment or agreement, the previous Enrollment or agreement number must be identified in the appropriate box above. If renewing from multiple Enrollments or agreements, or transferring Software Assurance or MSDN details, the Previous Agreement/Enrollment form must be used.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement and applicable Master Agreement. The following definitions also apply:

“Additional Product” means any Product identified as such in the Product Terms and chosen by Enrolled Affiliate under this Enrollment.
“Enterprise Online Service” means any Online Service designated as an Enterprise Online Service in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

“Enterprise Product” means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products must be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

“Expiration Date” means the date upon which the Enrollment expires.

“Industry Device” (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (e.g., personal computer), a multi-function server, or a commercially viable substitute for one of these systems, and (2) only employs an industry or task-specific software program (e.g., a computer-aided design program used by an architect or a point of sale program) (“Industry Program”). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (e.g., email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality, and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

“Managed Device” means any device on which any Affiliate in the Enterprise directly or indirectly controls one or more operating system environments. Examples of Managed Devices can be found in the Product Terms.

“Qualified Device” means any device that is used by or for the benefit of Enrolled Affiliate’s Enterprise and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment), or (2) a device used to access a virtual desktop infrastructure (“VDI”). Qualified Devices do not include any device that is: (1) designated as a server and not used as a personal computer, (2) an Industry Device or (3) not a Managed Device. At its option, the Enrolled Affiliate may designate any device excluded above (e.g., Industry Device) that is used by or for the benefit of the Enrolled Affiliate’s Enterprise as a Qualified Device for all or a subset of Enterprise Products or Online Services the Enrolled Affiliate has selected.

“Qualified User” means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product Terms.

“Reseller” means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement.

“Reserved License” means for an Online Service identified as eligible for annual orders in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

“Software” means licensed copies of Microsoft software identified in the Product Terms. Software does not include Online Services or Services Deliverables, but Software may be part of an Online Service.

“Subscription License” means, for purposes of this Enrollment, a fixed term license that expires when the Enrollment expires or is terminated, unless the buyout option is exercised. Any License ordered under this Enrollment is a Subscription License, even if it is otherwise designated on a purchase order.

“Use Rights” means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product. The Use Rights for Software are published by Microsoft in the Product Terms. The Use Rights for Online Services are published in the Online Services Terms.
2. **Order requirements.**

a. **Minimum order requirements.** Enrolled Affiliate’s Enterprise must have a minimum of 500 Qualified Users or Qualified Devices. The initial order must include at least 500 Subscription Licenses in a single Product pool for Enterprise Products or Enterprise Online Services.

   (i) **Enterprise Commitment.** Enrolled Affiliate must order enough Licenses from the Product pool for each Enterprise Product ordered to cover all Qualified Users and/or all Qualified Devices. Enrolled Affiliate may elect to mix Enterprise Products and Enterprise Online Services within a Product pool as long as all Qualified Devices not covered by a License are only used by users covered with a user License.

   (ii) **Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 500 Subscription Licenses for Enterprise Online Services.

b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products and Services.

c. **Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate’s use of that Product during that term.

d. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.

e. **Resellers.** Orders must be submitted to an authorized Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Resellers and other third parties do not have authority to bind or impose any obligation or liability on the Microsoft Affiliate that enters into this Enrollment.

f. **Adding Products.**

   (i) **Adding new Products not previously ordered.** New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.

   (ii) **Adding Licenses for previously ordered Products.** Additional quantities of Additional Products other than Online Services may be used at any time provided an order is placed in the month the Product is first used. Additional Licenses for Online Services must be ordered prior to use unless the Online Services are (1) identified as eligible for the annual order process in the Product Terms or (2) included as part of other Licenses.

g. **Annual order requirements.** Enrolled Affiliate must submit an annual order that accounts for any changes since the initial order or last annual order.

   (i) **Enterprise Products.** For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the annual order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.

   (ii) **Additional Products.** For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must order Licenses for any quantities used that are not already covered by existing Licenses.

   (iii) **Online Services.** For Online Services identified as eligible for annual orders in the Product Terms, Enrolled Affiliate may place a reservation order for additional Licenses.
prior to use, and payment may be deferred until the next annual order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retroactively to the month in which they were ordered, as well as proactively for the following year (if applicable).

(iv) Subscription License Reductions. Enrolled Affiliate may reduce the quantity of Subscription Licenses at the enrollment anniversary date on a prospective basis as follows:

1) For Enterprise Online Services and Enterprise Products, Licenses can be reduced, as long as the initial order minimum requirements are maintained.

2) For Additional Products, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate’s use of the applicable Subscription License will be cancelled.

(v) Device-based and user-based Licenses. At each Enrollment anniversary date, if Enrolled Affiliate ordered device-based Licenses in the prior year, it may instead order user-based Licenses or vice versa, provided the Product is available on both a device and user basis in the Use Rights.

(vi) Annual order period. The annual order must be received by Microsoft between 60 and 30 days prior to the Enrollment anniversary date. The third year anniversary annual order is due within 30 days prior to the Expiration Date, and any license reservations within this 30 day period will not be accepted. Enrolled Affiliate may order more often than at each Enrollment anniversary date except for Subscription License reductions.

(vii) Late annual order. If the annual order is not received when due:

1) Microsoft will invoice Reseller for the following year for (1) the quantity of Subscription Licenses ordered in the prior year and (2) Reserved Licenses in excess of the quantity previously invoiced, and

2) License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).

h. Step-up Licenses. For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

(i) For Enterprise Products and Online Services eligible for the annual order process, if step-up Licenses are included on an initial order, Enrolled Affiliate may order according to the annual order process.

(ii) For Additional Products (and Enterprise Products and Online Services eligible for the annual order process but not included on an initial order), Enrolled Affiliate may step-up by following the process described in the Section titled “Adding Licenses for previously ordered Products.”

i. Buy-out option. Enrolled Affiliate may buy out active Subscription Licenses acquired under this Enrollment for Products other than Online Services (if permitted) and acquire perpetual Licenses for the latest version of the Product as of the Expiration Date by placing an order for such Licenses. Microsoft must receive the buy-out order no more than 30 days prior to the Expiration Date. The Expiration Date will be the invoice date for the buy-out order. The buy-out order must include Subscription Licenses for: (1) Qualified Devices and Qualified Users added during the final year of the Enrollment term, and (2) any Additional Products used by Enrolled Affiliate for which it has not yet placed an order, and (3) either or both of the following:

(i) For all Enterprise Products which allow buy-out, the number of perpetual Licenses equal to the total number of Enrolled Affiliate’s current Qualified Devices or Qualified Users for such Products, and/or
(ii) For Additional Products, the number of perpetual Licenses Enrolled Affiliate elects to obtain.

j. Clerical errors. Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

k. Verifying compliance. Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Master Agreement.

3. Pricing.
   a. Price levels. Each Product is assigned to a Product pool as shown on the Product Terms. Price levels (A, B, C or D) are set separately for each pool. Price levels for the applicable Product pools are set forth in the Product Selection Form.
   b. Setting prices. Enrolled Affiliate’s prices for each Product or Service will be established by its Reseller. Except for Online Services designated in the Product Terms as being exempt from fixed pricing, Microsoft’s prices to Reseller for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term, provided that Enrolled Affiliate qualifies for the same price level for the entire term. Price levels and Microsoft’s prices to Reseller are reestablished at the beginning of the renewal term. If Enrolled Affiliate qualifies for a different price level during the applicable initial or renewal term, Microsoft may at its discretion establish a new price level for future new orders either upon Enrolled Affiliate’s request or on its own initiative. Any changes will be based upon price level rules in the Product Selection Form.

4. Payment terms.
   Microsoft will invoice Enrolled Affiliate’s Reseller in full upon acceptance of each order. Annual orders will be invoiced upon Microsoft’s acceptance of this Enrollment and on each Enrollment anniversary date, after receiving each annual order.

5. End of Enrollment term and termination.
   a. General. At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment. A final order for any Reserved Licenses for Online Services not previously paid for must be made within 30 days prior to the Expiration Date.
   b. Renewal option. At the Expiration Date of the initial term, Enrolled Affiliate can renew Products and Services by renewing this Enrollment for one additional 36 month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product Selection Form, and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at renewal.
   c. If Enrolled Affiliate elects not to renew.
      (i) Subscription Licenses buy-out. Enrolled Affiliate may elect to obtain perpetual Licenses as described in the Section titled “Buy-out option” for Licenses for which a buy-out is available.
      (ii) Online Services eligible for an Extended Term. For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.
1) **Extended Term.** If Enrolled Affiliate does not renew prior to the Expiration Date, access to the Online Services will automatically continue month-to-month in accordance with the terms of the Enrollment ("Extended Term") for up to one year unless designated in the Product Terms to continue until cancelled. For the first twelve months of the Extended Term, Online Services will be invoiced monthly at the then-current published price for Enrolled Affiliate’s price level as of the Expiration Date plus a 3% administrative fee. As of the first day of the thirteenth month of the Extended Term, Online Services that continue until cancelled will be invoiced at the then-current published price for price level A plus a 3% administrative fee. If Enrolled Affiliate does not want an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.

2) **Cancellation during Extended Term.** At any time during the first year of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, either party may terminate the Extended Term by providing the other with a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received or issued the notice.

(iii) **Subscription Licenses and Online Services without an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate's Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" section of the agreement.

e. **Early termination.** If an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates this Enrollment because Enrolled Affiliate has ceased to be Customer’s Affiliate, then Enrolled Affiliate will have the following options for Licenses:

(i) Enrolled Affiliate may obtain perpetual Licenses as described in the section titled “Buy-out option,” provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.

(ii) Where not exercising buy-out option, in the event of breach by Microsoft, Microsoft will issue Reseller a credit for any amount paid in advance that would apply after the date of termination.

f. **Transfer of Software.** Notwithstanding any provisions concerning License transfers, nothing in this Enrollment prohibits the transfer of Software to the extent allowed under applicable law if the distribution right has been exhausted.
