Subject: PPE Masks update

Dear Colleagues,

As an update, the 1.5 million KN95 GB26262006 masks, which have been distributed are not appropriate for use. These masks have been tested in [REDACTED] and the results are negative.

We are in the process of arranging details to [REDACTED]. Please therefore continue to refrain from using these masks and in due course [REDACTED].

Going forward, we are working to ensure an adequate resolution to this quality issue, which will also entail, [REDACTED] We will keep you informed of future scheduling as soon as possible.

We take this opportunity to apologize for any inconvenience caused, to reiterate the absolute priority for quality and safety of personal protective equipment and to thank countries for the feedback they have provided so far.

Please do not hesitate should you have any further questions.

Kind regards,

HSC Secretariat
