**Subject:** access to documents request - Disenfranchised Persons

Dear European Commission,

Under the right of access to documents in the EU treaties, as developed in Regulation 1049/2001, I am requesting documents which contain the following information: new initiatives and legislative control (political proposals, grants, funds, research projects, etc) which deal with the subject of, disenfranchised persons. The titles of any such document would suffice.

For your information, the European Council identified you\*. I enclose last two messages and originating FOI query.

\*if I improperly direct my FOI query (there are over 40 different offices listed under, 'European Commission', all of which are competent to receive 'asktheeu' FOI queries), perhaps you would kindly identify the correct office.

F.Y.I. The 'Vocabulary-on-line-dictionary' gives this definition of the word disenfranchised: .....deprived the rights of citizenship especially the right to vote. The adjective 'disenfranchised' describes a person or group of people who are stripped of their power. Rights are violated and they have little power to change life for the better....'

Yours faithfully,

Dear European Council,  
Subject: European Council policy on Disenfranchised Persons.

Many thanks for your message. As a follow up question: with respect, how does one alarm the EC of its failure to hold any such policy?

Yours faithfully,
