Dear Mr Cook,

Thank you for your letter of February 6. I also enjoyed our conversation in Davos.

It is very important, not least in the current transatlantic context, that companies such as Apple engage constructively in the discussions on the tax challenges arising from digitalisation. I therefore appreciated your commitment to support the current multilateral efforts underway to address this issue.

I look forward to pursuing our dialogue on future occasions.

Yours sincerely,

Paolo GENTILONI

Tim Cook
Chief Executive Officer
