Dear Commissioner Gentiloni,

On behalf of Facebook, please allow me to extend our best wishes for 2020 and the new decade. We look forward to working closely with you throughout your mandate.

Our Vice President of Global Affairs and Communications, Nick Clegg, will be at the WEF Annual Meeting in Davos from January 22 to 24. If your agenda allows, he would be grateful for a chance to meet you personally to discuss issues of mutual relevance, including your mission to design a strong investment programme to maintain inclusive growth as the EU navigates the digital transition, or your work on developing a pan-European approach on taxation of the digital economy. He would also be interested in your views on the new rules and regulations we feel are needed for the internet.

I hope such a meeting would be of interest to you. My team will coordinate with your Office to determine availability.

I thank you for your time and consideration.

Kind regards,

Thomas Myrup Kristensen
