Brussels, 19/5/2020

## NOTE TO THE FILE

**Subject: Meeting between Mauro Petriccione and IOGP on 19 May 2020**

### Participants:

- IOGP: François-Régis Mouton (EU Affairs Director); [REDACTED]

- DG CLIMA: Mauro Petriccione (Director General); [REDACTED]

### Discussion:

IOGP informed DG CLIMA about how they see their work on hydrogen and CCS contributing to the green recovery through their participation in the hydrogen and low-carbon alliance and envisaged ongoing exchanges with the Commission. IOGP welcomed the objective of reaching climate neutrality by 2050.

DG CLIMA and IOGP exchanged views on the above points, also in the context of the revision of the TEN-E Regulation and the work on Taxonomy.
