RE: Commission's approach to contacts with [redacted]

Dear [redacted]

Thank you for your letter informing me of the European Commission's policy on contacts with [redacted] in his capacity as CEO of AFME and clarifying the Commission's approach going forward.

I would like to confirm that AFME is committed to supporting our CEO in respecting the restrictions which were adopted by the European Banking Authority in the context of his appointment as CEO of AFME. AFME has put in place arrangements to manage our activities in compliance with the restrictions, including with respect to engagement with the Commission. We will update these to reflect the policy communicated in your letter.

We look forward to continuing to provide fact based input to serve and support the Commission on behalf of our members with due respect for the restrictions and the Commission's policy on contacts with [redacted]

Yours sincerely,

Association for Financial Markets in Europe
