I have just been informed that to guarantee a speedy approval process in the Commission, it would be important to have the final clean version tomorrow morning by 9.30 if possible. Sorry for the last minute hurry!

Dear
Please find enclosed some small additional issue we spotted:

- Article 1.6.16 typo corrected
- Article III.1.8.1 formatting adjusted
- Vaccine Order Form
  - 
  - Article III: minor edits and additions added

We confirm that Commissioner Kyriakides will sign and we have pasted the Agreement with MS into the APA.

As we are planning to go through our internal procedure tomorrow, it would be really helpful if we could have a final text from you as early as possible tomorrow.

Best,

---

Dear [Name],

We have carried out final checks, cross-referencing etc. and attach a version of the APA which captures this tidying up. Specifically as regards [Details], we agree with the concept as discussed on the call yesterday and made some further limited edits. Like you we just want to ensure that the process is clear [Details].
There are also two final elements we can drop in if you could let us have them:

- Annex II (Agreement between the Commission and Member States on procuring Covid-19 vaccines on behalf of the Member States and related procedures, annexed to the Commission Decision C(2020) 4192 final of 18 June 2020). Do you have a copy you could send us?
- The name of the EC signatory (for page 29). Will it be Ms Stella Kyriakides per page 1?

Best regards.
