Dear [REDACTED] and EU team

Please find attached the final version of the contract for signature, with the requested change included in section [REDACTED] and [REDACTED] added in annex [REDACTED]

Did you hear back from the member states about opt-outs? I understand that all but 2 had until tonight to decide.

We already saw tonight in the newspapers an article [REDACTED]

[REDACTED] I will be very happy to try to receive it when it is my turn, as well as family and friends, and perhaps even some of you.

It makes it very real to know it will be used to protect people you know and care for. And it only increases the expectation for an effective and safe product

Kind regards

Dear [REDACTED]

In the framework of our general discussions on contracts, we have spotted one other technical revision in the contract with Curevac. Among the provisions [REDACTED]

[REDACTED] mandatory law). We should therefore add the reference to [REDACTED] in the clause [REDACTED] Please see in the attachment.

If you confirm this to us, you may also introduce a short reference in the annex [REDACTED] as per your e-mail last week. We will then take the text which you will send to us as the reference document for signing.

Kind regards,

Could we please make very few further adjustments to the contract (without changing any substantive provisions)?:

- Recital [REDACTED]
- Article [REDACTED] could you please add an either to make the clause clearer, as set out in the following:  
[REDACTED]
- Article [REDACTED] last sentence:

It would be good if you could send us back a revised version by lunch-time today. Sorry for the short notice.

Dear [REDACTED]

Thank you very much, it is absolutely fine to have the pre-read on Monday and perfect if it is essentially the same.

I'll try to see if we can send the Word document for the decision (Annex III).

For the contract, I am sure colleagues will come back to you.

Wishing already a good weekend!

Dear [REDACTED] and team

Thank you again for the discussion yesterday.

Please find attached the revised contract, and the corresponding redline

- Incorporated the few small changes from the discussion yesterday
- Note the redline is not perfect because I still did a change in the annex with the [REDACTED] at the end which had somehow disappeared
- Completed [REDACTED] about [REDACTED] (a simpler version than this morning, not counting [REDACTED] – [REDACTED] please have another look and let me know if useful to still modify something)

- Put a placeholder for annex I until we have the correct list of member states
- Scanned in the pdf you sent for Annex III (the Commission decision – not perfect, but readable enough)

I am also about to send in the [REDACTED] documentation to your Tender colleagues in a few minutes [REDACTED] as soon as we receive them)

[REDACTED] I will send you the preread for the Tuesday presentation to member state experts by Monday morning. Will be same/essentially the same as the previous one.

I am going back through my to do list, but I think that is all.  
Please let me know if I forgot something, or if something looks strange for some reason.

Many thanks again for your great collaboration.  
Kind regards
