Dear all
Please find the final [redacted] complete with the [redacted] clause added by [redacted] and the full [redacted] added at the very end of [redacted] as a separate section. Word and pdf formats

Only change was to [redacted] so that it reads the same as the rest of the [redacted]

Many thanks for the huge push to get there this week.

We await the next step, invitation to tender, and are preparing teams to be able to submit that document as soon as possible.

Best regards

Subject: Re: [REDACTED] clauses

Dear [REDACTED]

Thank you for this marked up clause.

This can be solved very quickly if the necessary will is there.

Best regards,

Dear EU team

Thank you for the very constructive discussion this morning. We made a lot of progress in a short time.

As promised, here is our proposed redline based on your initial proposal of the [REDACTED] clauses. I trust it reflects where we landed in our discussion today.

Please feel free to send us back comments or call me in the morning tomorrow.

Attached please find a clean word version and a pdf redline vs your proposal.

Best regards
