Dear [REDACTED]

Thank you for the opportunity to present to the expert group today. And thank you in particular [REDACTED] and [REDACTED] to have called in for the full meeting despite being nominally on holiday.

As promised during the call, for completeness please find attached the full preread including the few updated slides what were included in today's final presentation version. It can be circulated as follow up as needed.

[REDACTED] I have not forgotten about the [REDACTED] that was requested.

[REDACTED] is finalizing it to submit the [REDACTED] as you heard, and will send it as soon as it is finalized/sent.

Probably end next week or early the one after.

Of course, I look forward to hearing about the debrief and next steps.

Kind regards

[REDACTED]
