Dear [REDACTED]

As we discussed with you in our meeting on Friday, we have presented your proposal of 8 July to Member States in the Steering Board. We underlined the changes that you had made to your original proposal to fit with the EU approach, and noted the flexibilities that you have built in at various points. Member States are also well aware of your progress with the vaccine, [REDACTED]

[REDACTED]

You asked us on Friday whether we would like the [REDACTED] There is of course a dynamic relation [REDACTED]

Regarding the structure of the [REDACTED] at present your proposal is for [REDACTED]
[REDACTED]
[REDACTED] on delivery. As we discussed on Friday, whilst we appreciate that you've already revised this and we also appreciate your need [REDACTED]

[REDACTED]

Finally, we will need to come to an agreement on [REDACTED] You have received our proposed [REDACTED]; we look forward to hearing your feedback at our meeting on Thursday.

Besides these three issues we may have further comments on the schedule and delivery details but will revert to you later on those: for the moment we think we need to focus on resolving these three major issues in order to make progress.

We would suggest that we might use Thursday's meeting to discuss these commercial aspects further in addition to the [REDACTED] discussion. Alternatively, we could schedule an additional call on this on Friday at around 1500, or early next week.

Regards,
