Subject: [REDACTED] clauses

Dear EU team

Thank you for the very constructive discussion this morning. We made a lot of progress in a short time.

As promised, here is our proposed redline based on your initial proposal of the [REDACTED] clauses. I trust it reflects where we landed in our discussion today.

Please feel free to send us back comments or call me in the morning tomorrow.

Attached please find a clean word version and a pdf redline vs your proposal.

Best regards
