Dear ,

Thanks a lot for your reply.

██████████ is available on the following days: between 16 and 20 March in Brussels, between 23 and 27 March in Brussels, as well as between 30 March and 2 April in Strasbourg.

Would one of these days suit EVP Dombrovskis ?

██████████ would like to discuss about Digital finance and 5G new financial services, as well as Digital transformation and its impact for the EU industry and SMEs, and Huawei's future investments in Europe. ██████████ also saw the following statement on 5G from Commissioner Dombrovskis (<https://www.nytimes.com/reuters/2020/02/07/technology/07reuters-europe-telecoms.html>) and would also like to discuss about this. Any other topic is, of course, more than welcome.

Translation is not needed as ██████████, speaks English perfectly.

I look forward to your kind reply.

Kind regards,

██████████
