EIOPA REGULAR USE

EIOPA-20-693
20 November 2020

Subject: Reply to your application for access to documents - ATD 07/2020

Dear Ms Balog,

We refer to your email of 30 October 2020 in which you make a request to EIOPA for access to documents containing information on the social insurance contributions that you have paid in the UK between 2011 and 2017.

EIOPA processed your application in accordance with the provisions of Regulation (EC) No 1049/2001 of the European Parliament and of the Council¹.

We regret to inform you that no documents were found that would correspond to the description given in your application. It is not in EIOPA's mandate as specified in Articles 1 and 8 of Regulation (EU) No 1094/2010² to keep information on Union citizen's pensions rights under national pillar 1-pension systems, as per your request.

As specified in Article 2(3) of Regulation 1049/2001, the right of access applies only to existing documents in the possession of EIOPA.

Given that no such documents have been identified, EIOPA is not in a position to handle your request.

¹ Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to documents (OJ L 145, 31.5.2001, p. 43).

² Regulation (EU) No 1094/2010 of the European Parliament and of the Council of 24 November 2010 establishing a European Supervisory Authority (European Insurance and Occupational Pensions Authority), amending Decision No 716/2009/EC and repealing Commission Decision 2009/79/EC (OJ L 331 15.12.2010, p. 48).

To assist you with your query, we provide you with a link, which should enable you to start interrogating the UK database of pillar 1 social insurance contributions: <https://www.gov.uk/international-pension-centre>.

Yours faithfully,
