Dear [redacted],

We'll be happy to organise the follow up call between Sundar Pichai and commissioner Breton on the topics you indicate.

He could be already available on 5/11 between 17h-19.

Otherwise, in the week you propose we can offer 11/11 between 17h-19 or 12/11 between 17h-19.

Could you please check on your end if any of those slots work?

Thanks and have a good weekend

**Subject:** Meeting request - Sundar Pichai, CEO of Google and Alphabet

Dear [redacted], dear all,

I hope this email finds you well.

Please allow me to reach out to **request Commissioner Breton's availability to meet with Sundar Pichai, CEO of Google and Alphabet.**

Following up on their conversations from March and April, Sundar would be delighted to join a video-call with Commissioner Breton to continue their discussion about Google's efforts to address the COVID-19 pandemic, and also exchange views on the upcoming Digital Services Act package and other relevant topics of the Commissioner's interest.

Would you please help us check the interest and availability of Commissioner Breton for a meeting **anytime in November, starting from the week of November 9**, at his convenience? Given that Sundar is based in California, we would appreciate it if the video-call could take place later in the day (after 5pm CET).

Thank you in advance for considering our request. Please let me know if you have any questions or require any additional information.

Kind regards,
