Subject: RE: EuropaBio Invitation to our next Healthcare Council

Dear [REDACTED]

Thank you for the invitation.

Unfortunately the staff working document on the evaluation of orphan and paediatric legislation will not be published by 23rd June.

Therefore, I will kindly decline your invitation but can already commit to discuss the results of the evaluation at your next Healthcare Council meeting.

Please keep us informed about its date.

Please also note that we will be present at the DIA meeting end of June.

Kind regards,

[REDACTED] on behalf of [REDACTED]

Subject: RE: EuropaBio Invitation to our next Healthcare Council

Dear [REDACTED]

Following up on our previous mail ,we would be delighted to have you participate in an exchange of views, with both EuropaBio and our members, during our second meeting of our

Healthcare Council in 2020, scheduled to take place on 23 June. Given the current Covid-19 unprecedented times we are planning to hold our Healthcare Council through Webex videoconference. We would suggest a one hour interaction starting at 2 pm.

We look forward to working with you and your team to finalise the agenda and the key topics that you would like to address.

Best regards,

[Redacted]

Dear [Redacted]

Thank you for your email and the invitation.

We believe that the SWD will not be published before that date. We will be pleased though to present the results at the next Healthcare Council meeting.

Kind regards,

Subject: EuropaBio Invitation to our Healthcare Council

Dear [redacted]

Happy New Year to you and your team. I hope you had a very good start into 2020.

As we look toward the year ahead, we would like to take the opportunity to invite you to participate in an exchange of views, with both EuropaBio and our members, during the first meeting of our Healthcare Council in 2020, scheduled to take on 11 March.

Following the publication of the European Commission's Work Programme, and as we await the publication of the Technopolis report on Orphan Medicinal Products and Paediatrics and the accompanying Staff Working Document, it could be an ideal moment to have an interactive discussion about how EuropaBio and its members can cooperate with the European Commission to ensure a strong European biotechnology sector continues to contribute to the health of EU citizens and to the European economy.

The meeting will take place from on 11 March from 13:30 until 17:30 at the Sofitel Brussels at Place Jourdan. Should you be available, we would be happy to amend the agenda according to your schedule.

We look forward to working with you and your team throughout the year ahead.

Best regards,

[redacted]
