Subject: Thank you for speaking at the EU Health Summit

Dear Commissioner Kyriakides,

On behalf of the EU Health Coalition, we would like to thank you wholeheartedly for your contribution and support over the past weeks, which have been instrumental in the success of the EU Health Summit 2020, "*A shared vision for the future of health in Europe – Time for Action*".

As you know, our ultimate goal was to develop an action plan for the successful implementation of [the 10 recommendations](#) developed by the 33 Coalition partners.

With confidence and gratitude, we can say that the Summit has provided extremely valuable input to create such a plan.

A clear pathway emerged from the passionate discussions: we need greater collaboration at European level, **we need a European Health Union**.

We are now in the process of preparing the Summit report and will share it with you in the upcoming weeks. Meanwhile, we are glad to share with you the recording of your interventions. We also attach the sketch by the visual designer of your speech at the Summit.
