Dear Mr [REDACTED],

Thank you for your letter dated 9 December 2020 on packaging and labelling flexibilities for COVID-19 therapeutics, requesting that those regulatory flexibilities granted for COVID-19 vaccines across the EU (and detailed in the Q&As on labelling flexibilities for COVID-19 vaccines published by EMA 27 November 2020) are extended to COVID-19 therapeutics.

We would like to inform you that your request is currently being processed and that we are planning to discuss it with the Agency. We will therefore be in a position to provide you with a reply as soon as this consultation with EMA is finalised.
