Dear [Redacted],

following the correspondence in reference, acting as the Coordinator of the project in subject, I would like to thank you for the acceptance of the request of both Member States, in their role of beneficiaries of the Action in subject.

In addition, I am glad to inform you that, after the consultation of the French part and the acquisition of its full agreement through the confirmation of the mandate to sign the final version of the text, the assent of the internal competent Directorate-General for the rail sector and finally having acquired the formal mandate from the political body, the signature procedure of the Amendment n°1 to the Grant Agreement No. INEA/CEF/TRAN/M2014/1057372 (*Modif. no.3 Amend. no.1*) has been concluded.

Therefore, please find enclosed the final version of the aforementioned Amendment, electronically signed by myself, in my role of legal representative of the undersigned Administration and, acting as the Coordinator of the project in subject, on behalf of the Ministère de la Transition écologique et solidaire.

Please note that under the principle of economically sound administration, I chose to sign the Amendment electronically having received internal reassurance on the technical compatibility of my electronic signature with the EU signature formats specified in your letter but, in case of any technical issues, I am available to sign the Amendment in every alternative modality you will suggest.

Presenting you and your team my sense of gratitude for the institutional collaboration assured during all the phases of these amending process,

Yours faithfully,

Encl:
