Subject: Steering Board meeting invitation - 12:30-13:30 CET today

Dear Members of the Steering Board,

On behalf of Ms. Sandra Gallina and the EC Vaccines Team, you should have received a webex invitation for an exceptional meeting of the Steering Board at 12:30 today.

With apologies for the very short notice, recent developments in negotiations have called for such a meeting.
Thank you very much indeed for your cooperation and support.

Please do let us know if you have not yet received the webex invitation.

With best regards,

The EC Vaccines Team.
