Dear Sir, Madam,

We are pleased to invite you to **the Stakeholder workshop on intra-EU investment, which will take place in Brussels on 3 December 2019.**

This will be a full day event, which will present an opportunity to exchange ideas on intra-EU investment protection and facilitation among investors, other stakeholders, EU Member States' authorities, academics and Commission officials.

The provisional agenda and registration form is available at the link below:

[https://ec.europa.eu/info/events/finance-191203-investment-workshop\\_en](https://ec.europa.eu/info/events/finance-191203-investment-workshop_en)

In view of the limited amount of places in the room (100), please note that we have in principle reserved one place per each invited Member State. Should more than one representative of Member State's national authorities be interested in attending, we can explore possibilities to accommodate these requests if places are available. In this connection, we would be grateful if you could write to us as soon as possible to let us know if your Member State does not intend to participate in this workshop.

Kind regards

FISMA team
