Hi [REDACTED] and thanks a lot for support.  
Just to understand better:

- On Wednesday 24/6 since is the College, could we have an hour that can be sure? I don't know, like 13:30, 14:00... the idea is that I have to communicate to the [REDACTED] cabinet an hour that is a sure.
- The other two options are sure? For example can we count for sure on Wednesday 01/7 @ 14.00?

Thanks a lot,

- Wednesday 24/6 @13.00 (the time can't be sure because it will depend on when the College ends)
- Wednesday 01/7 @ 14.00

Thanks for your understanding,

Of course you are all more than welcome.

For sure [redacted] will be accompanied by [redacted] and probably two other colleagues. I will inform soon about. I am attaching here the bio of the [redacted] and of [redacted].

Meanwhile, I believe some details about the platform to be used should be shared (with a link for connection) and a test to be performed with the cabinet of the [redacted].

What platform do you prefer to use?

Just to let you know, we are using Microsoft Teams and Skype (this one only internally) and in case other platforms are preferred by you, it can work if you will be sending the invitation.

Thanks,
