

Meeting with CEFIC [REDACTED]

10 February 2021

Participants :

- [REDACTED] (CEFIC [REDACTED])
- [REDACTED], CEFIC
- Commissioner Breton ; Joan Canton (Cabinet)

Summary

During the meeting, Commissioner Breton and CEFIC [REDACTED] exchanged on the following topics:

- The preparation of the EU industrial strategy: the Commission recalled the ecosystem approach used to assess the evolution and importance of the industrial fabric in Europe.
- The preparation of the “fit for 55” package. CEFIC recalled its commitments to the overall objectives, but also the specific challenges faced by the industry and the need to consider the broader Green Deal perspective for their sector.
- The chemicals strategy for sustainability: CEFIC enquired in particular about the creation of the High Level roundtable, seen as an essential step to facilitate the implementation of the strategy. Cefic also explained they are preparing an impact assessment on the overall chemicals strategy.
