Subject: PAN Letter FAO President von der Leyen in advance of European Council, 17-18

Dear Kurt, Per and [REDACTED]

Please find attached a letter from PAN for the attention of the President in advance of the Special European Council meeting on July 17-18. In this letter, we call on the President to ensure that the global COVID-19 response and pandemic preparedness and prevention efforts are protected and increased by European leaders.

We also want to thank her for leading by example by wearing a face mask in public to protect those around her. We call on her to encourage all EU leaders to also wear a mask in public, including at their first face-to-face European Council meeting next week, and to call on their citizens to follow suit until the pandemic is over.

Thank you in advance for your support on these important matters.

Best regards,
