Dear Executive Vice President Dombrovskis,

I hope you and your family are well. Belated congratulations on your appointment as EU Commissioner for Trade – I look forward to working with you and your team in this new capacity.

A lot has changed since our meeting in December last year, and I would like to reconnect and discuss the outlook for EU-US transatlantic relations, international data flows and the new EU tech agenda, as outlined in the forthcoming EC's Digital Services Act (DSA) and Digital Markets Act (DMA).

These are issues that will inevitably have an impact on economic recovery following the pandemic, and on efforts to bolster the open rules-based multilateral order. Facebook would like to offer the Commission its full support as it embarks on these challenges.

I would very much appreciate the opportunity to discuss these matters via video conference at your earliest convenience.

With my best wishes,
