Dear Mr Alexander,

I refer to your e-mail of 4 May 2021, registered on the same day under the abovementioned reference number, in which you request access to:

- Text messages and other documents relating to the exchange between President Ursula von der Leyen and Albert Bourla, the chief executive of Pfizer, since January 1, 2021. The exchange was reported in the New York Times on April 28 in the story "How Europe Sealed a Pfizer Vaccine Deal With Texts and Calls".
- An internal European Commission assessment of the EU's vaccine needs over the next two years, as referenced in the same story

We enclose a copy of the documents requested.

I trust that this responds fully to your request.

Yours sincerely,

Cosmin DOBRAN
