Subject: Meeting request - Arla foods

Dear Ms Nyitrai, Dear Ms Chapuis,

I am contacting you to seek a meeting on behalf of Mr [REDACTED] Executive Vice President for Arla Foods, a pan-European dairy cooperative which is also the largest organic dairy company in the world.

Mr [REDACTED] would be highly appreciative of a meeting with you in your capacities as Cabinet Expert and Member of Cabinet for Commissioner Kadri Simson, to discuss ongoing developments around key energy dossiers relevant for Arla including the Methane Strategy, RED II revision, bioeconomy and biogas, understand the Commissioner's vision and priorities for each of these areas as well as their interplay with the wider EU Green Deal and Farm to Fork strategy.

In addition Mr [REDACTED] would welcome the opportunity to share with you some of Arla's ongoing work in the area of biogas and carbon farming/sequestration, including Arla's own on-farm Climate Check emissions reduction programme which is being rolled out to almost 10,000 dairy farmers across six EU Member States, in order to share best practices and experiences as an active EU agriculture and energy market stakeholder.

Whilst appreciating how busy the current legislative schedule is we hope you will be able to find time to accommodate our request.

Could you please let me know if a meeting in the coming weeks would be possible?

With best regards,

[REDACTED]
