**Subject: Your application for access to documents – GESTDEM 2021/4194**

Dear Sir,

I refer to your letter dated 24 June 2021 in which you make a request for access to documents. In the perspective of your thesis, you need access to the correspondence between lobbying groups and the Commission in relation to the legislative process on the plastic own resource.

The following documents listed in annex fall within the scope of your application. Having examined these documents under the provisions of Regulation (EC) No 1049/2001<sup>1</sup> regarding public access to documents, I have come to the conclusion that they may be partially disclosed. Some parts of these documents have been blanked out as their disclosure is prevented by exceptions to the right of access laid down in, notably, Article 4(1)(b) and Article 4(3) of this Regulation.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:

European Commission

Secretariat-General
