Dear Ms Cicculli,

We refer to your email of 17/08/2021 in which you make a request for access to documents, registered on 19/08/2021 under the above-mentioned reference number.

Your application was as follows:

“For the period between 1 January 2017 to date:
- a list of all lobby and industry meetings and/or calls held by the Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs, including any Cabinet Members and/or officials, during which “PFAS” and/or “C604” and/or “PFOA” and/or “GenX” were discussed. The list should include: date, individuals attending and organisational affiliation, as well as the issues discussed;
- all minutes and other reports of these meetings and/or calls;
- all documents prepared for the purpose of the meetings issued both in preparation and after the meetings took place.
- all correspondence, including attachments (i.e. any emails, mail correspondence or telephone call notes) between the Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs, including any Cabinet Members and/or officials, and any lobby group and/or industry representative discussing “PFAS” and/or “C604” and/or “PFOA” and/or “GenX”.”

Please note that this letter is the first part of our reply. The second and final part of our reply will follow shortly.

For this first reply, we have identified 57 documents falling in the scope of your request. Please see the details in the attached document register.

Please note that, since some of the documents listed in the attached document register also originate from a third party, the originators have been consulted.

Having examined the documents requested under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents, we have come to the conclusion that:

- Documents 8, 9, 10, 15, 16, 17, 23, 42, 43 and 50, listed in the attached document register, can be fully disclosed.
- Documents 36 and 56, listed in the attached document register, can be fully disclosed as they are publicly available.

- Documents 28, 30 and 31, listed in the attached document register, may be partially disclosed. The third parties concerned have been consulted and they informed the Commission that full disclosure of these documents would undermine the protection of commercial interests. Consequently, some parts of the documents have been blacked out as their disclosure is prevented by exception to the right of access laid down in Article 4(2) first indent of Regulation (EC) No 1049/2001. The exceptions laid down in Article 4(2) of this Regulation apply unless there is an overriding public interest in disclosure of the documents. We have examined whether there could be an overriding public interest in disclosure, but we have not been able to identify such an interest.

Please note that parts of the documents 24, 25, 37, 48, 51 and 53 have been blacked out as their content is out of the scope of your request.

Furthermore, document 26 contains personal comments which have been redacted.

Finally, some parts of the documents 1, 2, 3, 4, 5, 6, 7, 11, 12, 13, 14, 18, 19, 20, 21, 22, 24, 25, 26, 27, 29, 30, 31, 32, 33, 34, 35, 37, 38, 39, 40, 41, 44, 45, 46, 47, 48, 49, 51, 52, 53, 54, 55 and 57 contain personal data, which have been redacted.

A complete disclosure of the identified document is prevented by the exception concerning the protection of privacy and the integrity of the individual outlined in Article 4(1)(b) of Regulation (EC) No 1049/2001, because it contains the following personal data: the names/initials and contact information of staff members not pertaining to the senior management.

Article 9(1)(b) of the Data Protection Regulation does not allow the transmission of these personal data, except if you prove that it is necessary to have the data transmitted to you for a specific purpose in the public interest and where there is no reason to assume that the legitimate interests of the data subject might be prejudiced. In your request, you do not express any particular interest to have access to these personal data nor do you put forward arguments to establish the necessity to have the data transmitted for a specific purpose in the public interest.

Consequently, I conclude that, pursuant to Article 4(1)(b) of Regulation (EC) No 1049/2001, access cannot be granted to the personal data contained in the requested document, as the need to obtain access thereto for a purpose in the public interest has not been substantiated and there is no reason to think that the legitimate interests of the individuals concerned would not be prejudiced by disclosure of the personal data concerned.

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position. Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretariat-General of the Commission at the following address:
