NOTE FOR THE ATTENTION OF THE MEMBERS OF THE CIVIL DIALOGUE GROUP ON THE COMMON AGRICULTURAL POLICY

Subject: DG AGRI’s replies to the questions on the CAP reform raised at the CDG meeting of 19 March 2021

As follow-up to the last meeting of the Civil Dialogue Group on CAP, on 19 March 2021, I would like to share with you our replies to a number of questions concerning the ongoing negotiation of the CAP reform that were raised during that meeting or that were sent to us as follow-up to our exchange of views.

For your information, the annex with the replies will be made available via CIRCA-BC.

I trust in our continuous cooperation and fruitful exchange of views on the ongoing CAP reform in the interest of EU agriculture and the Union as a whole.

The purpose of the present note is to clarify and explain the provisions of the Commission’s proposal for a Regulation on support for CAP Strategic Plans as adopted by the Commission on 1 June 2018. Please note that the co-legislators are currently examining this proposal under the ordinary legislative procedure and therefore, the provisions in question may be modified. In such case, the explanation given in the annex to this note may no longer be relevant.

Your faithfully,

Mihail DUMITRU
