Dear Mrs Hiesinger,

Apologies for the late reply.

I wish to let you know that it has been decided to cancel this year's Wings of Change (WoC) event in Portugal, originally planned as a part of the Portugal Air Summit.

This is very unfortunate and due to a conflict with other large industry events so that key speakers would not be available at the WoC event.

Thank you again for considering my request and I hope I can still reach out to you for a future opportunity.

With kind regards

[REDACTED]

Dear [REDACTED]

Thank you for your below invitation of EVP Timmermans.

Would you be able to share any further information regarding the event with me, such as a programme with envisaged timing, other speakers, format etc.?

Kind regards,
Stefanie Hiesinger

Dear Mrs Hiesinger,

I am reaching out to you to probe whether EVP Timmermans would be available and willing to speak at IATA's Wings of Change event on the 13th October 2021.

This special 3rd edition of Wings of Change Europe will once more bring together industry and non-industry experts to discuss, debate and define the aviation of today and tomorrow, covering some of the hottest aviation topics of the moment, such as:

- Environment
- Industry Restart
- Safety
- Diversity, Inclusion, People Matter(s)
- Digitalization & Passenger Experience
- Airline-Airport partnership

We are partnering with Portugal Air Summit <https://portugalairsummit.pt/> in Ponte del Sor.

Given the significant focus of Fit for 55 on aviation it would be extremely useful to have EVP Timmermans outlining the EC's views directly to the aviation sector.

Thank you in advance for your consideration.

Kind regards
