Dear [REDACTED],

The time flies, and it is exactly a month from our meeting.

I have hoped to be able to send you the complete set of materials, but the information from our member organisations keep on coming in.

Therefore, please, find enclosed a very concrete estimation of the cost of notification from Mapal, a German company.

[REDACTED] is ready to be contacted and discuss with in more detail, if needed.

Please, not that she is not so much at ease in English so she needs to prepare for a discussion, unless you/your colleagues can exchange with her in German.
