Dear [REDACTED]

My sincere apologies that it has taken so long to respond. EVP Vestager would be delighted to meet the CEO of the Move EU members however due the very high number of requests and her many inter-institutional obligations I can only offer a video meeting on Tuesday 30 November from 11:00-11:30. I am afraid this is the only slot I have available so if it is not possible for your CEOs I can only offer a meeting with our Cabinet. I hope we make the meeting on 30 November happen.

Kind regards,

Dear Commissioner Vestager,

Dear [REDACTED]

I am contacting you in the context of my work for Move EU. Move EU (Bolt, Free Now and Uber) brings together the leading players in the ride-hailing sector whose aim is to promote the sustainable use of on-demand mobility and new mobility services in the EU.

[REDACTED] of Move EU members would like to discuss with you, Commissioner, about the so-called platform workers, ahead of the adoption of a measure to improve working conditions of people working in the platform economy in December 2021. For your information, we have scheduled a meeting with Mr Stengg and [REDACTED] already.

Thank you for your consideration.

Kind regards
