

Meeting minutes

Call with Mr [REDACTED] . – 22 July 2020

Participants:

President Ursula von der Leyen

The socio-economic fallout from COVID-19 was discussed, as well as efforts to recover, repair and emerge stronger from the crisis, including in the context of the long-term EU budget, the recovery package and the green and digital transitions.

The call took place following the European Council summit in July, so issues like the new Multiannual Financial Framework and the NextGenerationEU recovery instrument were mentioned during the discussion.
