HEALTH AND CONSUMERS DIRECTORATE-GENERAL

Health systems and products  
Substances of human origin and Tobacco control

Brussels,

**Subject: Article 10.1 of the revised Tobacco Products Directive**

Dear Mr. Poul,

Thank you for your letter of 12 November 2013 to Commissioner Füle concerning labelling of tobacco for smoking other than cigarettes and roll-your-own tobacco (RYO). As responsible Head of Unit, I was asked to respond to you.

As you know the Commission's proposal acknowledged the specific consumption pattern of tobacco products other than cigarettes and RYO and proposed corresponding legislation. The proposal is now in final discussions between the co-legislators, i.e. the European Parliament and Council, who will ultimately decide on the exact wording of the legal text.

Yours sincerely,

  
Dominik Schnichels  
Head of Unit
