Sure. I handed over a note to the chair at the meeting as the following:

we cannot support the autorisation of the claim on fructose and the claim on carbohydrates as it is contrary to dietary advice to increase the consumption of sugars

Dear Member of the Standing Committee on the Food Chain and Animal Health,

As requested during the Standing Committee of 4 February 2013 we would kindly ask you to send us a short explanation on why **Denmark** voted against on **Item B1** - Exchange of views and possible opinion of the Committee on a draft Commission Regulation amending Regulation (EU) No 432/2012 establishing a list of permitted health claims made on foods other than those referring to the reduction of disease risk and to children's development and health (SANCO/12712/2012).

With Kind Regards,

DG Health and Consumers
