AGENDA ITEM B.2 (SANCO/12712/2012)**

**ARTICLE 13.1 CLAIMS FOR WHICH THE EVALUATION BY THE EUROPEAN
FOOD SAFETY AUTHORITY AND THE CONSIDERATION BY THE
COMMISSION AND THE MEMBER STATES IS FINALISED**

In the context of the amendment of Regulation (EU) No 432/2012 establishing the list of permitted health claims made on foods other than those referring to the reduction of disease risk and to children's development and health, evaluation by the European Food Safety Authority and consideration by the Commission and the Member States is finalised for all health claims listed in this document.

Authorised health claims will be inserted in the Union Register of nutrition and health claims made on foods with the conditions applying to them, as provided for in Article 20 of Regulation (EC) No 1924/2006. Non-authorised health claims will also be included in the EU Register with the reasons for their non-authorisation. The insertion of claims to the EU Register will happen at the same time as the publication of the Commission Regulation amending Regulation (EU) No 432/2012.

NB The health claims are identified below with the corresponding entry IDs as assigned in the consolidated list that was submitted for assessment to the European Food Safety Authority. The list can be consulted at the following link:
